### And What Have You

By BOB CRAIG

Dee Prewit, son of Mr. and Mrs. Gene Prewit, will be at Cape Kennedy Monday for the space launch. He works for I. B. M. at the Space Center at Houston and has been selected to observe the launch as the representative of I. B. M. and N. A. - S. A.

Dee, who works on the programming of the space flights will go to the Cape Friday and will stay through the launch Monday.

We see where Aspermont is planning an Activity Banquet this week to be sponsored by the Booster Club and will honor all of the students that take part in the various activities of the school. Bob Lilly of the Dallas Cowboys will be the guest speaker for the occasion.

This will be the first year for the banquet and it will honor students who take part in football, basketball, track, tennis, golf, volleyball, U.I.L., band, the cheerleaders, F.F.A. and F.H.A.

We can see that this is a real fine project and would like to see something like this started here.

We have a lot of students that spend many extra hours of their time representing both their school and their home town of Hamlin. We can see that it would be a fine thing to recognize all of these young people for their efforts.

We do not know what organization should undertake a project of this size but would like to see someone take an interest in it.

Maybe if some organization would get something started, others would join in.

We received a letter the other day from Ace Reid, who draws the cartoon, "Cowpokes" which is sponsored each week in the Herald by The F and M National Bank. It seems that Ace is trying to come up with a cartoon cookbook and is seeking recipes for it.

Ace is trying to collect old ranch recipes, hard times or depression recipes. With these he would like a funny story of how the recipe was invented or a family tale or incident connected with the recipe. He would then illustrate the story, joke or incident to go with the recipe.

Some of the recipes that he already has include one called Roodle Soup which is small balls of flour dropped into boiling milk. He has been told that in western Oklahoma at the time of the depression water was scarce, but tears were plentiful. He says that his friend tells him that now with more water and better times, the soup is very hard to make.

He also has an Irish Potato Pie recipe made up of necessity in eastern Colorado by the mother of "Festus" of the "Gunsmoke" television show.

If you have any recipes that you think Ace might be able to use in this new cookbook you might bring them to the Herald and we will send them to Ace, or you can mail them directly to Box 888, Kerrville, Texas 78028.

It would appear that a real storm is brewing in Austin over the State Appropriation Bill. It is hard to guess at this time as to who will win out, the Governor or the Lt. Governor and the House Speaker.

The Governor wants a two year bill and the legislative leaders want to pass a one year bill now and come back next year and pass another one.

Both sides present some good arguments for their cases and it is hard to tell which is the better route for Texas. While the one year bill kinda shows tinges of buck passing, we are not too opposed to waiting another year to pay more taxes.

The 1969 Hamlin High School Senior Class wishes to express its most sincere thanks to our parents, friends, Hamlin merchants, taxpayers, and all school personnel for their share in our past twelve years of free education. We understand that without the support and interest of the many people of Hamlin, the senior class would not be enjoying the senior trip at this time. We will always remember and be grateful for your generosity.

The Hamlin Seniors

# FROM THE FILES . . .

**FORTY-FIVE YEARS AGO**  
(May 2, 1924)

For some weeks now, the question of voting a \$500,000 bond issue in this part of Jones County has held the attention of most thinking people. The Herald has carried much information concerning this question, but has in no degree urged anyone to act one way or another. Correct information, as near as it is possible to get, has been published, and the thinking voter should make up his mind from that, just what he wants to do about it.

Personally, the Editor of this paper is for the bond issue. We will get a creditable return for our yearly investments, the future welfare of this county demands first class highways, and it is clear that only by issuing bonds can a local public enterprise be carried out.

The Hamlin Chamber of Commerce has chosen Miss Rozelle Brand as Duchess for Hamlin, to represent this city in the West Texas Chamber of Commerce Convention at Brownwood. Miss Berta Nobles was chosen as Maid of Honor.

What was probably the state's record in high school baseball was played on the Hamlin field Monday afternoon. Anson scored one run in the third inning and Hamlin tied it in the 8th. The 9th through the 17th innings were played with no change, when in the 18th the Anson man scored. Hamlin got two men on in the 19th, but failed to score.

There was no substituting on either side for the 10 innings.

Rain fell last Thursday afternoon and again Friday and now the whole face of the West is delightful with a wonderful season. Hamlin lakes are both overflowing.

**TWENTY YEARS AGO**  
(April 29, 1949)

Hamlin's immediate trade territory will produce 750,000 bushels of wheat this year, it was estimated this week by wheat growers, grain dealers and farmers. The estimate is based on an approximate 50,000 acres of the grain with an expected yield average of 15 bushels per acre.

A. G. (Jimmie) Irwin was named president of the Hamlin Lions Club at the annual election of officers Tuesday at noon.

I. R. Huchingson, superintendent of Hamlin schools, was named president of the Hamlin Civic Planning Board at the first meeting of the group last Friday evening.

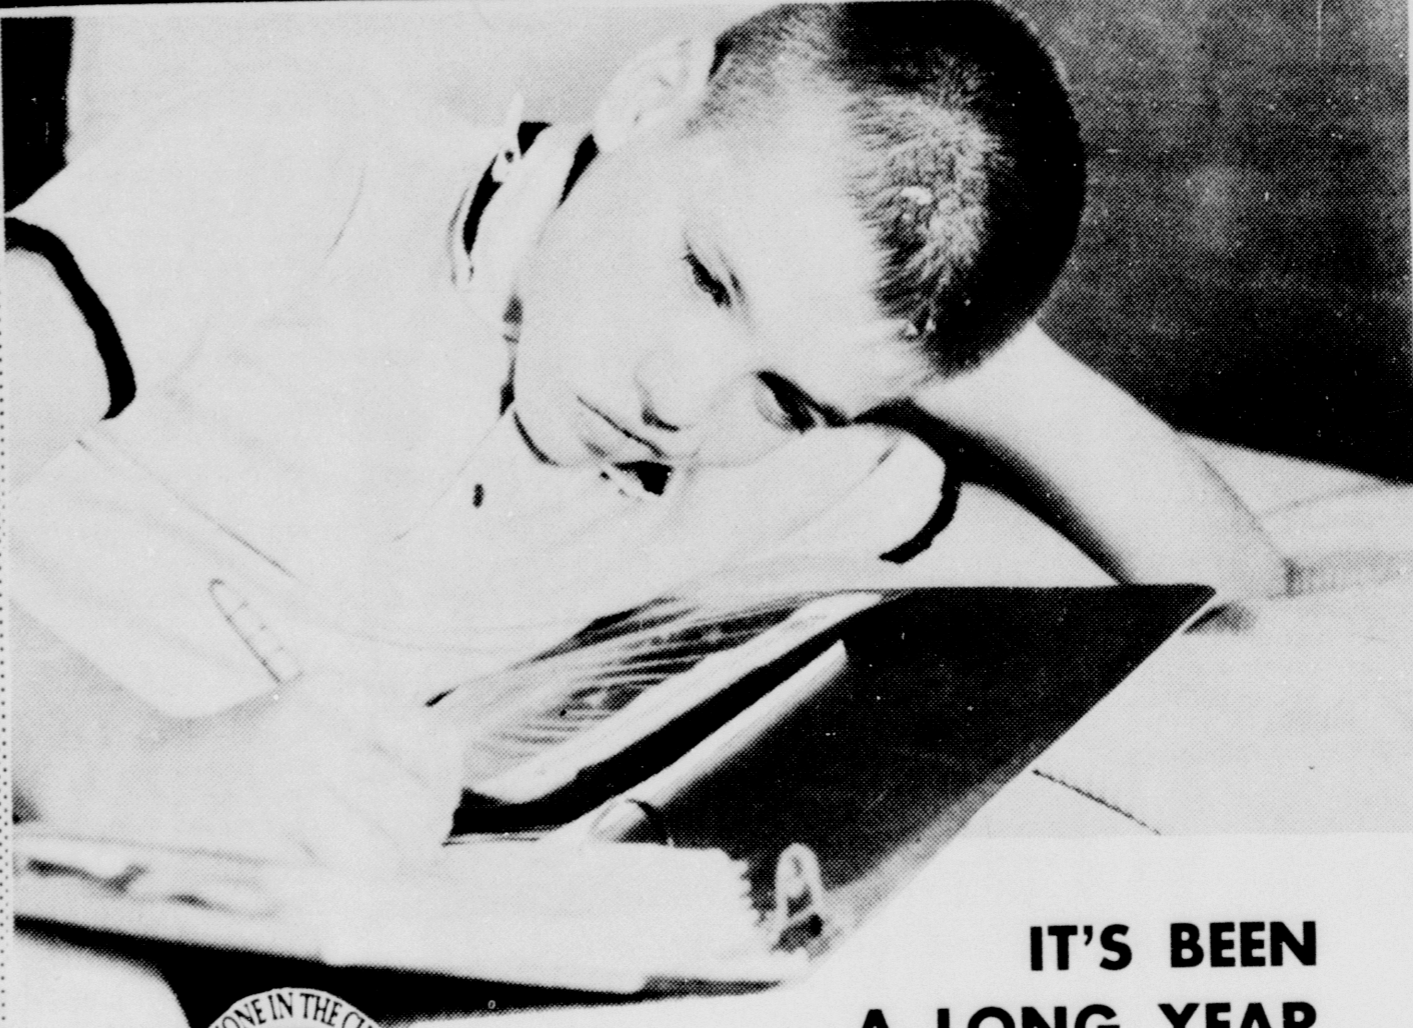

J. C. Turner Jr. was elected vice president and Mrs. R. D. Moore was named secretary of the organization.

**TEN YEARS AGO**  
(May 7, 1959)

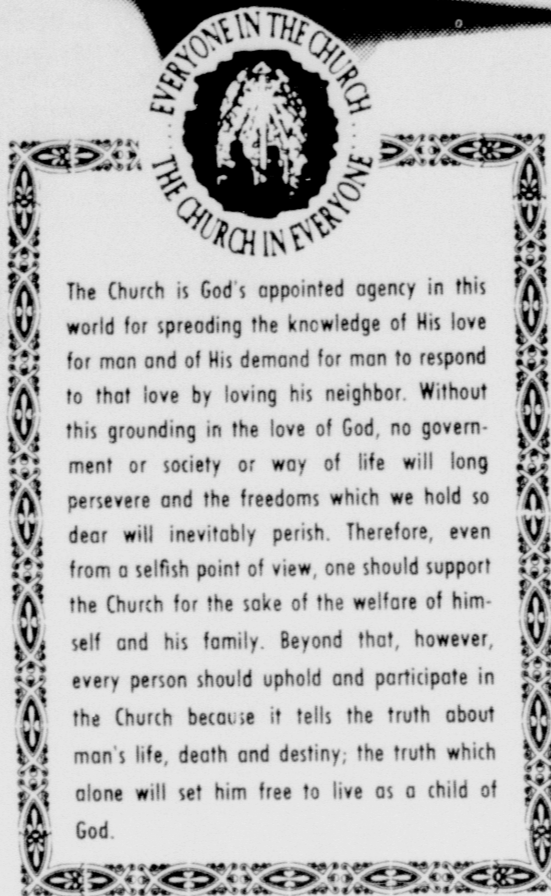

Another concerted effort to curb and gutter unpaved areas in the business and residential area of Hamlin is being pushed by the city of Hamlin, now that improved weather conditions permit, and property owners are being urged to contact city officials or the city hall and make arrangements for the work.

Hamlin Lions Club will participate next week in the observance of Armed Forces Week. Lieutenant Colonel George D. Wood of Dyess Air Force Base at Abilene will speak at the Tuesday noon luncheon of the club at the oil mill guest house.

Recent sale of the old Farmers Cooperative Gin No. 1 of Hamlin was announced last week by Watts Fletcher, president of the cooperative organization.

## IT'S BEEN A LONG YEAR

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

©Coleman Adv. Ser.

Just a little longer . . . and homework, and exams will be over and then VACATION TIME. It is so good to have something to look forward to . . . swimming, fishing, ball, all of those wonderful activities.

Yes, it is good to have something to look forward to. I look forward each week to an opportunity to worship with others in the House of the Lord. I look forward to the hymns of praise, to the time of Bible study, and to the message brought by God's servant. Why don't you join me this week at church and participate in these joyful moments.

## Uncle Charlie is very concerned about world problems...

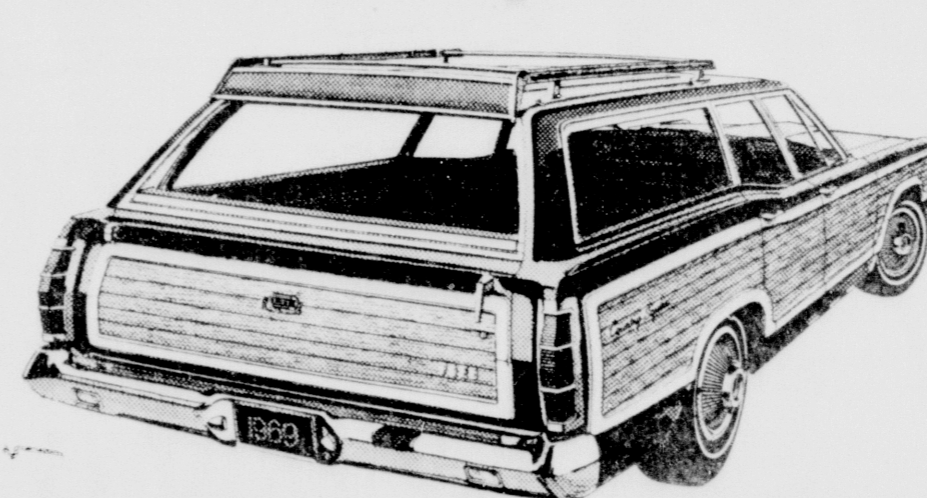

## We're very concerned about Uncle Charlie!

You see, being concerned is about as far as Uncle Charlie ever goes. He worries about this... he grieves about that... but actually getting out and doing something to solve some of those problems... well... that never occurs to him. So, the problems remain... some get worse... new ones arise... and good old Uncle Charlie always has plenty to voice concern about.

At Lone Star Gas, we believe in concern plus action. And we put that belief to work in the communities we serve, and for our more than one million customers. There are over 6000 of us at Lone Star Gas, and we like to think there isn't an "Uncle Charlie" among us!

NEWS FROM . . .

## Sylvester

By MRS. R. M. BABB

Lovely spring morning and I hope every one was as lucky as I was, my Mom came over from Holiday Lodge at Hamlin and spent the day in our home.

Following the evening service Sunday evening at the Baptist Church, Baptismal Service was held. Baptised were Melissa Hardwick, Brenda and Debra Kiser.

Mr. and Mrs. W. B. Brown, Mr. and Mrs. Charles Scott, Bro. and Mrs. Don Forrester, Mr. and Mrs. R. M. Babb, Mr. and Mrs. Homer Pursley and boys and Johnnie Perales attended Baccalaureate Service at Trent Sunday evening. Two of the members of the class are Danna Thompson and Arthur Lewis Maberry.

Mrs. May Hurst drove home with Mrs. Ezell Whitten and will spend a few days visiting in Hamlin.

Mr. and Mrs. Woodrow Lawlis spent from Wednesday until Saturday visiting in Euless and Duncanville with their children.

Mrs. Bertha Griffin returned to California last week for the funeral of her father, Mr. Bohannon. She had visited with him earlier and had only been home a week or so.

Mr. and Mrs. J. F. Dozier and family of Anson attended church here Sunday morning, then taking his parents, the A. F. Doziers, Mrs. Ezell Whitten and Mrs. May Hurst, the group went to Sweetwater for lunch.

Mr. and Mrs. Charles Meeks of Brazoria spent the weekend with his parents, the F. E. Meeks. Mr. Meeks reports that Mrs. Meeks has improved. She is in the Holiday Retirement Center in Sweetwater.

Mr. and Mrs. Dalton Lyons of H-SU, Abilene, spent the weekend in the Tom Wise home.

John Hardwick of Abilene spent Mother's Day with his parents, the Chub Hardwick family.

Capt. and Mrs. Jimmy Lanning of Ft. Bliss spent the weekend with his parents, the Jim Lannings and in Rotan with her parents, the W. T. Edwards. Capt. and Mrs. Lanning will soon be going to Ft. Benning, Ga., where he will enter Career School.

Mrs. A. J. Barnes of Lamesa spent several days this past week with her sister, Mrs. Dan Kidd.

Mrs. Bobby Kiser of Hamlin attended the Baptismal Services at the Baptist Church Sunday night.

Miss Wanda Smith and friends of Dallas spent the weekend with her mother, Mrs. A. C. Smith.

Mr. and Mrs. Raymond Perkins and children of Lubbock spent the weekend with his mother, Mrs. Landon Perkins.

In the Milt Montgomery home for Mother's Day were the E. L. Porter family of Roscoe, Mr. and Mrs. Currid (Billie Louise) of Mertzon and Mrs. Johnnie Ruth Sharp and family of Abilene, and Mr. and Mrs. Roy Andrus of Walnut Springs.

Mr. and Mrs. G. T. Davis drove to Denton and with Dr. and Mrs. D. H. Looney as guests, drove on and attended the Winrock Farms sales this past weekend on Petit Jean Mountain, near Morrilton, Ark.

Some 900 acres of land on the western side of Petit Jean Mountain were bought in 1953 by Winthrop Rockefeller and they stocked the farms with Santa Gertrudis cattle, a combination of Brahman and Shorthorn developed by the King Ranch in South Texas.

The top animal sold at this sale last weekend for \$20,000 with some 50 animals selling for a total of near \$200,000.00.

Mr. Davis is the owner of some of this breed of cattle from the Farms. They reported a wonderful trip and said the country was very pretty at this time of the year.

If people are interested, I suggest that all that have relatives buried in the Sylvester cemetery get together and work on the graves. If you haven't been out there recently, go, you will be ashamed, as I was. Let's do something about it, O. K.?
